1. Describe your major S/R/C goal(s) for the past six months

Over the past six months, the TxCRLA worked finalizing plans for CASP 2015 with time for reflection and goals for CASP 2016, increasing communication with membership with TxCRLA board, and surveying membership for topics for webinars sessions.

2. Activities implemented to accomplish this/these goals (attach documents if appropriate):

CASP 2015 was finalized and held in Allen, Texas in fall 2015. Surveys are in the process of tabulation. Results of final attendance and budget costs are TBA. Programs can be made available as requested for review of keynote speakers, concurrent session topics, and pre-post conference sessions b - in progress, see #4 c - in progress, see #4

3. Summary of any S/R/C Funding requests including outcomes:

The funding request submitted last year was to cover the costs of the keynote speaker. The funds were received and Dr. Stephen Chew was selected as the keynote and Dr. Karen Huxtable-Jester was the keynote speaker at the closing brunch. Both presenters were well received!

4. S/R/C-related activities at the Annual Conference:

The TxCRLA chapter meeting was held at the CRLA annual conference with two TxCRLA board members present. Updates were shared regarding CASP 2015 and plans for CASP 2016. Suggestions were taken for possible webinars, especially noted as desired sessions with a political focus or how to be active with our legislature in communication during a legislative session and more on adult basic education programs (BASE). Membership forms were also distributed with several joining TxCRLA during the conference. Opportunities for scholarships for members were also discussed.

5. Your last S/R/C newsletter or communication was sent to members in November 2015

Your next S/R/C newsletter or communication to be sent to members in March 2016\_\_

6. Describe your major goal(s) for the next six months: Over the next 6 months the Texas College Reading and Learning Association is organizing the next CASP (College Academic Support Programs) conference. The board conducted a site visit (Corpus Christi, TX) with the host college (Texas A&M-Corpus Christi) in January 2016. We will be working with the host college to plan the conference, solidify speakers and presenters, advertise the CASP conference, advertise the CRLA & NADE conferences, and increase membership. In addition, the board is improving the organization website, redefining responsibilities, publishing a new newsletter, and recruiting members.
