June 15 Report of Goals, Activities, Accomplishments, and Plans for January – June.

1. Describe your major S/R/C goal(s) for the past six months: My major goal for the past six months was to have some members in the Arizona/Nevada area to interact. Though I have had responses to information in the newsletter, there has not been any online activity within the region other between members in their own institutions or between institutions. In addition, I have talked with faculty in my own area concerning CRLA membership and attendance at conferences.
2. Activities implemented to accomplish this/these goals (attach documents if appropriate): Interactions with faculty at my institution are working. Four faculty from my own institution attend the conference in Portland! This is the most in my experience. If there had not been a limit on attendance, there would have been at least three others that I know of. Perhaps more will attend the next conference.
3. Summary of any S/R/C Funding requests including outcomes: We are still working on a reading seminar. This has been difficult since communication is difficult.
4. S/R/C-related activities at the Annual Conference: Twelve of us met during the 2015 conference in Portland. Having the reading seminar was on the agenda. The members from Arizona said that they would be willing to come to Lass Vegas for one; so we are now in the planning stage at last. We spent some time discussing activities and projects which merited being shared. I informed the group of eblasts and stated that I had requested to be considered for the pilot program.
5. Your last S/R/C newsletter or communication was sent to members on June, 2015

Your next S/R/C newsletter or communication to be sent to members on eblast – 15th February 2016
6. Describe your major goal(s) for the next six months:
 1. Increasing registrations for CRLA 2016
 2. Holding a reading seminar in May, 2016
 3. Increasing membership participation in S/R/C at conference
7. What services and activities you are considering to help meet the goal(s): Last year, I received funding to help create a reading seminar. Finally, we plan to have it underway in May, 2016.
8. Are you submitting a Funding Request? Yes X No
If yes, please submit with this report.

9. Assistance you need from the Coordinator of S/R/Cs and/or the CRLA Board? Having members communicate with each other and me is extremely difficult; we are all busy! Though technology makes life easier in many ways, it is also an unwelcome intrusion. So, what is the best way for us to communicate? Can you help with that? Obviously, I am not the best of role models since I am late with this report.
10. Does your S/R/C Page accurately reflect your name and contact information? ___**Yes** ___No If not, please include updated information.

Please email this completed form and any attachments to the Coordinator of S/R/Cs so that it may be placed on the CRLA website.
